VALUE PEOPLE

DATA DRIVEN, PEOPLE MINDED

DO YOU HAVE THE DATA AND HR TOOLS TO MAKE THE RIGHT DECISIONS?

Master People Platform makes it easy to test candidates and existing employees and delivers intuitive HR analytics. Quickly spot top performers and use objective criteria as benchmarks.

MASTERMIND YOUR PEOPLE PROCESSES

Master People Platform makes it easy to establish and develop data-driven talent acquisition and people development. Designed for both desktop and mobile devices, the platform is the rock-solid anchor of fast, intuitive tests and assessments. The wide range of rich analysis features strengthens your decisions on all levels: individual, team and department.

The platform is optimized for stability, integration and on-the-go usage across devices, empowering HR professionals to meet strategic and business-critical objectives like increasing efficiency, reducing costs and ensuring optimal job and candidate matches.

TESTING, ASSESSMENT AND ANALYSIS MADE EASIER

In a digital world, compliance is king. The Master People Platform ensures that your assessment system is aligned with current legal standards and regulations. The result? A transparent HR environment, more time nurturing talent and less time worrying about data security.

As the digital backbone of our range of specialized HR solutions, the new platform makes you the master mind of your talent programme. Measure, compare and analyze data on a single platform and rethink the way you attract, retain and develop employees. Shared workflows and easy-to-use tools means fast implementation and learning.

FROM HUMAN RESOURCES TO HUMAN TALENT

An organization's most important resource is people. That makes detailed and easy-to-use analytics vital in the foundation of tomorrow's successes.

WHAT IS IT?

+ Quick-and-easy digital tool for candidate assessment and people development

+ One workflow – for all assessment needs

+ Easy access and safe data handling

+ Reliable basis for overview and decision making

WHY IS IT GREAT?

Master People Platform consolidates your employee assessment results in a single system. This enables the move to more data-driven HR and evidence-based decision making.

+ Fast start and easy integration to other HR platforms

+ More time for value-added tasks due to increased data security and legal alignment

+ Efficient handling of bulk invitations and large assessment projects

+ Advanced analysis and visualisation across multiple solutions and respondents

"Master People Platform has given us the flexibility to screen candidates on exactly those parameters that are important to us."
